Refer to the separate FEES SCHEDULE document for complete list of fees. All fees plus state levy are to be paid upon application for a permit. Only cash or check are acceptable payment methods.

The Commonwealth of Virginia requires every jurisdiction to collect a 2% fee levy on each permit issued. This amount is added to the permit fee collected by the county at the time of application for a permit (i.e., \$50 permit fee + \$1.00 levy = \$51.00 total).

By signing this application the applicant acknowledges responsibility for the above matters.

I certify that I am legally authorized to make this application. I also certify that all construction will be executed in accordance with the applicable provisions of the Virginia Uniform Statewide Building Code and the Ordinances of Powhatan County. No portion of the work executed under this permit will be used or occupied until a Final Inspection and/or Certificate of Occupancy is granted.
