To Whom It May Concern:

McGriff Insurance has provided insurance and risk management advice to the 2150 Management Co. group (Benchmark Construction and all related companies) and Cross Creek Development since 2009. This letter serves as confirmation that Benchmark Construction and Cross Creek Development are in good standing with their Workers' Compensation (Builder's Mutual Premier Insurance Company) and General Liability (Cincinnati Insurance Company) insurance companies. A recent inspection was performed by a safety professional from Cincinnati Insurance Company and there are no open recommendations.

The NCCI Experience Modification Factor is 0.99 and there are no OSHA violations on record.

The ownership and management at Benchmark Construction and Cross Creek Development display a strong sense of safety and pride in their work. They have our highest recommendation. If you have any questions, or if we can help in any way, please let us know.

Respectfully,

A handwritten signature in black ink, appearing to read 'Rusty Smith', is written over a light blue rectangular background.
