ASTON TRI

A map showing the study area. A dashed line indicates a boundary. Three sites are marked with grey squares and labeled with their elevations: 3588, 3592, and 3572. A blue line represents Walkers Creek, which flows from the bottom left towards the top right. The site 3592 is located near the creek, while 3588 and 3572 are further inland.

KISRA LIV

A map showing a section of Old Buckingham Rd. The road is depicted as a red line running diagonally from the bottom left towards the top right. A horizontal grey line crosses the road. Two grey square markers are placed on the road, labeled '5410' and '5406' respectively. The label 'OLD BUCKINGHAM RD' is written in black capital letters, oriented diagonally parallel to the road. A dashed grey line runs parallel to the road, below it.

A scatter plot showing the relationship between the years 1666 and 1695. The x-axis is labeled '1695' and the y-axis is labeled '1666'. A solid diagonal line labeled 'BRACKETS BND' runs from the bottom-left to the top-right. Two data points are plotted: one at approximately (1695, 1666) and another at approximately (1695, 1666). Dashed lines connect these points to the axes.
